MOO HATCH

BREAKFAST & BURGER GRILL

AN INTRODUCTION

We are a small family business based in South Northamptonshire.

We believe in proper burgers, you've probably not seen many like ours served through a hatch before!

All our meat is locally sourced using a local butcher, who in turn uses meat sourced from herds in the midlands.

All our bread and baked treats are supplied by local producers and baked fresh for every event.

WEDDINGS

So you're getting wed and you want some awesome burgers to feed your guests, then you've come to the right place!

Our food will deliver a real street food experience to your day, keep your guests filled and bring flavours that some won't have ever experienced in a burger!!

Weddings are complicated and stressful enough, leave the food to us and we'll take some of the stress off your hands!

SERVICE

We can serve in a casual 'Street food' style or by Table Order for an informal wedding breakfast.

We can serve at a pace of around 60 single patty burgers p/hr or 35-40 double burgers p/hr.

if you want to serve in another way, please advise and we can discuss options accordingly.

We will specify how long it will take to serve your guests dependant on numbers. If you require us to stay longer for an extended service period, this will be at an additional cost.
